New A4 Multifunctional/Single Function Printers

THE WORKPLACE OF TOMORROW

INTRODUCING THE bizhub C3320i/C3300i/C4000i MULTIFUNCTIONAL/SINGLE FUNCTION DEVICES FROM KONICA MINOLTA

Born from our desire to rethink the role of printers and multifunctional devices in business, our next-generation technology sits at the heart of your connected environment. Simply and securely bringing together people, places, and devices to change the way you work.

NEW INTELLIGENCE FOR NEW WORK ROUTINES:

- Today, even the smallest office has to function as a hub for communication: Individuals can print and accomplish more and more tasks from wherever they choose, supported by flexible yet efficient equipment.
- With the digitization of documents continually increasing, instant access to and processing of information is vital.
- Equally important is all-embracing security to protect individual workers and entire businesses against data leaks, phishing attempts, and hacking.

bizhub C3320i/C3300i/C4000i GIVES THE ANSWER:

- Their intuitive operability, reliable performance, and flexible connectivity ensure that you can print and complete your daily tasks quickly and effectively from anywhere.
- Ensure your work is safe and can benefit from next-generation security – including secure network integration, storage encryption, all data overwrite, and advanced user authentication technology.
- In the interest of protecting the environment, multiple eco-features reduce energy consumption and costs, promoting sustainability in the office.

SIMPLE AND SECURE

RETHINK IT

We've simplified, secured and enhanced what technology can do for your business.

KEY BENEFITS

- Smart and compact desktop devices for the modern office
- High performance – efficient processing of your daily tasks
- The Ideal solution for small-scale enterprises, small to mid-sized offices and workgroups alike
- High-quality colour, intuitive operation, versatile media support

DESIGNED FOR PEOPLE

RETHINK WORK ROUTINES

Small footprint

With their compact design, the stylish new bizhub C3320i/C3300i/C4000i fit perfectly on any desktop, providing efficient productivity in a minimum of space.

Tilttable 7-inch touch panel

Their ingenious touch panel can be flexibly adjusted – which is especially handy when operating the devices from a sitting position. There's simply no need to stand up to print, scan or copy.

Logical and modern user interface

The user interface comes with a fresh new look making operation intuitive and self-explanatory. Much like with your smartphone, you can organize your most-used functions in an identical list view and don't need to scroll or search. And when switching to another of our A4 or A3 models, your panel layout will always be the same, giving you instant access to what you're looking for – quite independently of the model you're working with.

MarketPlace is only available for bizhub C4000i

Next to no noise

Next to no noise, The devices feature a shallow noise level even during operation – an essential asset for desktop devices that sit right next to office workers. Perfect for flexible placement and use.

Long-life consumables

Even with larger print volumes, it will be quite a while before you need to replenish toner. With bizhub C3320i/C3300i/C4000i, even continuous printing is stress-free thanks to much fewer interruptions to replace depleted consumables.

Industry-leading environmental performance

Konica Minolta is committed to keeping the environmental impact as low as possible. With minimal energy consumption, weekly timer, recycled materials, and an environmentally sound packaging solution, these devices help save resources and reduce waste. Their innovative eco settings and low-temperature fusing toner further reduce energy consumption and paper and enhance sustainability.

UNLIMITED ACCESS, UNLIMITED CREATIVITY

RETHINK CONNECTIVITY

Make the world brighter in colour

Colours bring everything to life. With colour printing on bizhub C3320i/C3300i/C4000i, there are virtually no limits to your creativity and to the prints you can produce.

Generous media flexibility

Process a wide selection of media, with paper weights ranging from 60 to 210 g/sqm. You can easily print almost anything, from plain and simple documents to creative covers to labels and envelopes with logos, and more.

Mobile connectivity

Konica Minolta's innovative mobile technologies for instant printing from smartphones and tablets let you

print anytime from anywhere. They also support Airprint and Mopria. With the optional WiFi kit you can set up a wireless network in next to no time.

Open API support

Integrating external workflow applications with Open API support is easy, covering many of your everyday office demands. It lets you print smoothly from websites and emails directly from your bizhub panel. It provides instant access to the Konica Minolta bizhub MarketPlace*, enabling the simple and convenient, direct download of features and functions via your bizhub control panel.
